Dear Band Parents,

The school year has begun! We are excited to announce the new point system for your band student. This year we will be implementing a system where your child can earn points for your participation in various band activities. We are also executing a new system for the concession stand at our home games. This is our biggest fundraiser for our band students. We are asking each band parent to work in the concession stand at home games this year. You will earn points that will go towards your child's band account to pay for activities such as band camp, private music lessons, etc. We have drawn up a schedule for each concession stand, and you will be notified as to what shift you are to work. We ask that if you are not able to work your shift, you find someone to take your place. If we all work together, we can make this concession stand work much more efficiently and be fair to all parents who would like the chance to watch their child at a home game. You will be asked to sign in for your shift and sign out when your shift is over. After it is verified by our concession heads that you worked your entire shift, points will be added to your child's account. Signing and returning this letter will earn your child their first point! Again, thank your for your cooperation and for supporting YOUR child's band activities!

Sincerely,

Springlake-Earth Band Booster Officers & David Rogers – Band Director

- Lara Jones- President
- Melissa Alvarado- Vice President
- Kelly Furr - Secretary
- Jennifer Acosta- Treasurer
- Jennifer Samarron – Concession Coordinator
- Kassandra Tovar – Concession Coordinator
- Elisa Crum – Student account Coordinator

I have read this letter and understand it is my responsibility to show up for my assigned shift. If I am unable to work said shift, I will be responsible for finding a replacement to work.
